Dear FCC 16-41

DOCKET FILE COPY ORIGINAL

I am writing in request that RFD-TV not be dropped.

It is one of the few stations that has good clean entertainment and not a lot of blood & guts, violent shows on most of the major networks. I cannot stand to watch some of the major ones because of the violence shown. No wonder our children have no idea that isn't the way the world should act.

I enjoy the music that is available on RFD-TV and I can imagine that a lot of the western states greatly depend on RFD-TV for information that is useful to them if they are ranchers etc.

I am hoping that you will realize how much this station means to many of us that prefer clean entertainment.

Sincerely,

Delores Crutcher

To Whom It May concern:

Please don't take RFD-TV off the air.
It is the best program on TV. It doesn't have
any violence in it. It is a really nice family
channel.

I enjoy it because I am 85 years old and
enjoy the Music, Farming, Ranching, etc. It
is a real entertaining channel.

I only watch RFD-TV and the weather & news
channels - Everything else has so much violence on
it,

Dear Sir;

DOCKET FILE COPY ORIGINAL

I'm writing this letter in support of RFD-TV. It is my favorite station and I would hate to see it go off the air. I especially enjoy the ^{OLD TIMES} country music. I'm 81 years young and am not a farmer. There are thousands of others like me who watch RFD-TV.

What's the matter with these providers, don't they realize they have a winner with RFD-TV. Most other stations are just junk. I've never written a letter like this before, but if I ~~lose~~ RFD-TV, I'll find something else to do in the evenings and cancel my TV provider contract.

Sincerely,

Dyron Baumgartner

I watch RFD-TV on DISH

Comments: Our family watches RFD-TV because the programming is suitable for a family. There are NO sexual enhancement ads. BUT, there are educational programs—where our food comes from, how important agriculture is to our nation, highlights of events/activities in our states -creating interest in travel, cooking lessons, tractor highlights, crop care, harvesting processes, up to date weather across our nation, programs focusing on history & entertainment, programs for exercise-polka dancing, highlights of Small Towns, Sewing-quilt making, cattle auctions-to show some of the costs of ranching, Horsemanship programs are excellent & usable for those who are training their own horses.

The musical programs are first rate! Gentle Giants is tops, too. Cowboy Church, This Week in Agribusiness are two top programs. The coverage of equipment for agriculture-large & small-is appreciated.

These are just a few of the programs our home is tuned to, and we are happy to share recommendations with friends who are unfamiliar with RFD-TV...adding to the watching public.

Please keep our 'most watched' programming on the air.

Gentlemen:

Proceeding Number 16-41

I watch RFD-TV on Suddenlink/Cable Provider and we want this RFDTV left on with this provider. We thoroughly enjoy listening to this station. We were so happy when we found this station on our TV. Why would you even consider removing this station from Suddenlink/Cable provider. This should be offered on more stations. We have a house in Florida and have requested that Brighthouse Networks carry this on their list of stations. We called and ask this question and we got some girl that answered the phone and had never heard of this station. DON'T DROP!!!!!!

I HAVE TRIED TO GET A COPY OF THE FCC FORM 16441 TO FILL OUT . I GAVE UP AND WROTE YOU A LETTER.

I watch RFD-TV on DirecTV

A year ago Jan. my Husband and I signed up with Verizon TV as we received a very good offer of a package deal and they offered RFD. That was the only reason we signed with them and we paid \$5.00 a month extra for this channel. Then in December we saw on RFD that they were dropping this channel on Jan 31, 2016, I sent a e-mail asking them not to drop this channel as we watched it more then any other channel. They did drop it as they said. So in Feb. we switched to DirecTV. This did cause us a Financial burden as they billed us \$120.00 for early termination. We watch RFD more then any other channel. The programs are so good and educational. We just love this.

Thank You

I watch RFD-TV on Dish network.

Please do not take RFD off the air as it is the only channel that has good old country music, as well as many other good shows. I usually have it on especially on Friday, Saturday, and Sunday evenings.

I know of other older people who enjoy this kind of entertainment and would surely miss it if it is no longer available.

DEAR FCC PROCEEDING #16-41 RFD TV

WE WATCH RFD TV ON DISH, CHANNEL 231. WE ENJOY SEVERAL OF THEIR PROGRAMS IMMENSELY BOTH EDUCATIONAL AND ENTERTAINING. THESE INDEPENDENT STATIONS GIVE US SO MUCH INFORMATION, HISTORY, ENTERTAINMENT AND SPUR OUR INTEREST IN ITEMS WE WOULDN'T OF THOUGHT ABOUT OR HAVE ANY KNOWLEDGE OF. THE MAJOR NETWORKS ARE DEALING WITH ONLY ENTERTAINING US AND AN OCCASIONAL (VERY LITTLE) TRUE INFORMATION OTHER THAN CURRENT NEWS. THESE INDEPENDENT STATIONS OFFER QUALITY PROGRAMMING THAT CANNOT BE FOUND ON REGULAR NETWORKS.

THANK YOU FOR YOUR TIME . WE HOPE YOU CONTINUE TO ALLOW THESE STATIONS TO DO THERE FANTASTIC COMMUNICATION.

To FCC

This nonsense needs to stop!
R.F.D. is one of the best stations on TV. It is educational, entertaining and clean. I could fill this page with the different shows I enjoy on this channel, and have learned so much from the Ag. shows that help me run my farm.

If I can only have 2 channels, I want one local channel for news + weather in my area, and R.F.D.

I get my coverage from DISH, thankfully, so I'm not affected at this time. If I was with Verizon and they dropped my RFD coverage, I would drop my phone service with Verizon.

By the way RFD, compared to all stations has the by far, the best coverage, information and views of "The Rose Bowl Parade" out there. Check it out!

anything one would need from TV.

And the good musicians, to name a few:
Presley's Country Jubilee, Jimmy Star show,

We are, as SRS, again writing to ask you to please consider keeping the rural independent channels, Especially the RFD-TV channel. This is, by far, the best and most informative channel offered on TV.

We cannot understand why the urban-based executives fail to see why these channels are so important to us. After all, they are so informative & entertaining to us, the rural population & SRS, and enjoyable to watch. RFD-TV offers everything anyone would need, especially the farmers and Agric. business, all of the marketing reports, the cattle, pork and poultry industries, not to mention all of the entertainment shows, etc.

Please do not discriminate against all of the rural recipients and consider our opinions and values. Thank You!

Dear FCC 16-41

I'm writing in regard to cable networks dropping RFDTV. I am interested in the programs that RFDTV offers. I rarely watch other networks - the language, violence, and sexual content are a real "turn-off" to me. If some people need this, so be it. When I sit down, it's to enjoy a program or to learn something. RFDTV fulfills that and I do not want cable to cancel this.
